Re: Extension of Lausen's Dependable Disposal, Inc.'s Filing Deadline for 2009 Annual Operations Reports

Dear Ms. Lausen:

On March 31, 2010, we received your requests on behalf of Lausen's Dependable Disposal, Inc. (LAUSEN) to be allowed to delay submission of their 2009 Annual Operations Reports until **May 30, 2010**. We reviewed your request and determined that the extension should be conditionally granted.

You indicated that LAUSEN needs additional time to allow the preparation of tax filings and to prepare an accurate annual report. We remind LAUSEN that the filing of its Annual Operations Report **within 90 days** after the end of its annual accounting period is required by statute (AS 42.05.451). However, given that the Commission has granted extensions to utilities in previous years for similar circumstances, we will conditionally grant LAUSEN's request.

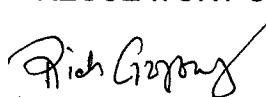

We grant LAUSEN permission to extend the annual report filing deadline to a date no later than **May 30, 2010**.

LAUSEN's attention to the complete preparation of its annual report is appreciated. If LAUSEN has any questions regarding the content of this Letter Order, please contact Tyler Clark, Utility Financial Analyst, at (907) 263-2103.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
